

Smart Power strip of Surge Protector for US / Canada / Japan / Taiwan

Bassonic

WiFi Intelligent Remote Control Socket for Energy Saving

Wireless controlled for Switching and Time setting for 4 sockets at the same time from smart-phone.

Also, calculating power consumption for Energy Saving.

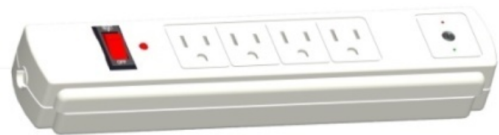

Model No.:

YE-10-2wifi(t) : connect to “Tuya” App. Voice and smart phone controlling.
Support Amazon / Google speaker system / IFTTT / TmallGenie.

YE-10-2wifi : connect to “IOT” App for remotely controlling.

Features:

- * 4 outlet with wifi controlled design at the same time.
- * housing: ABS (fire resistance) material
- * body color: computer grey or black
- * Cord specs: SJT14#/3C

Specification:

- * Electric Rating: 125Vac 15Amps
- * Switch: 2 in 1 switch with circuit breaker overload protect
- * Led indicator: Surge led
- * Max. Surge Dissipation: 90joules (1 line protect)
- * Max. Spike Current: 4500Amps
- * Max. Spike Voltage: 6000Volts
- * Response Time: less than 1 nanosecond
